**RESPONSE OF THE UNITED STATES POSTAL SERVICE  
TO CHAIRMAN'S INFORMATION REQUEST NO. 4 – Question 6b**

6. The Postal Service states that it “has shown that the mailers of BPM Parcels are overwhelmingly highly sophisticated commercial entities that have alternatives for the delivery of their parcels.” *Id.* at 14. The Postal Service has noted, however, that many of these sophisticated commercial entities are resellers of BPM Parcels. *See id.* at 8-9.

- b. Please provide any information available to the Postal Service regarding the profile of the end users who indirectly purchase the BPM Parcels product through resellers.

**Response:**

Attachment A, below, lists alphabetically the permit holders that mailed BPM Parcels in FY 2020.

Attachment B, below, lists those permit holders, the entities for whom they mailed BPM Parcels in FY 2020, and the volumes mailed. Attachment B is redacted and filed under seal with a motion for non-public treatment.
